

5 Quick Steps to Set Up a Course in Canvas

Log in with your Onyen at canvas.unc.edu and click through the brief tutorial.

1

2

From your Dashboard, click on the course you want to set up.

From the Syllabus tool, [add your syllabus](#) using the Edit button.

3

4

Upload your course documents into [Files](#).

[Publish your course](#). You can give students early access by [editing the start date](#) in Settings.

5

TIP

You can see your class roster in the People tool.

See the [Canvas Instructure Guide](#) for more "how-to" instructions
